

ENGLISH

Shackleton's Journey

Writing an endurance narrative — with a focus on using vocabulary to convey mood and atmosphere, exploring the difference between vocabulary of informal speech and vocabulary appropriate to formal speech and writing, linking ideas within and across paragraphs using a wider range of cohesive devices and using figurative language.

Writing a magazine article—with a focus on use of the passive to affect the presentation of information in a sentence, use of headings and sub-headings to structure text, use of technical vocabulary and using formal language to report facts.

Each day, the children in Year 5/6 will complete a shared reading lesson to build their confidence in answering reading comprehension and inference based questions and to build fluency in both their reading and writing. These sessions will be based on the novel 'Otherland' by Louie Stowell.

PHYSICAL EDUCATION

Year 5/6 — Focus on Gym and Dance.

OUR WORLD

History

Year 5/6— The Stone Age—Iron Age and the achievements of early civilisations to gain an overview of the major changes from the Stone Age to the Iron Age.

The children will consider how we know about a historical period without written sources, research what it might have been like to live in Britain during this period and explore how Britain changed between the beginning of the Stone age and the Iron age.

Geography

Year 5/6—A UK Study focusing on London

Science

Year 5/6— Living things and their habitats.

COMPUTING

Multi-Media

Year 5/6 - Sound Recording, Video and Animation.

Children will range of digital devices to design and create a range of programs, systems and content that accomplish given goals.

Online

Year 5/6—Internet Research.

Children will develop an understanding of computer networks such as the internet and the opportunities that they can provide for communication and collaboration.

Listen

Engage

Bounce Back!

EAGLES CLASS

This term we will be focusing on key learning behaviours

Be proud in our achievements

Keep trying!

ENRICHMENT

Bike Ability

Chester Zoo Trip - caring for our environment, links to Science and RE

RE Big Story Day - Learning about God's Big Story

RE

Creation—exploring the story of creation and the impact that this has on how Christians view the world and try to care for it. Children will also make links between the story of creation and describe how Christians live their lives as Disciples.

MATHEMATICS

Y5

Place Value within 1,000,000 —focus on reading, writing, ordering and comparing numbers to at least 1,000,000 and determining the value of each digit, counting forwards or backwards in steps of powers of 10 for any given number up to 1,000,000 and rounding any number up to 1,000,000 to the nearest 10, 100, 1,000, 10,000 and 100,000.

Y6

Place value within 10,000,000— focus on reading, writing, ordering and comparing numbers up to 10,000,000 and determining the value of each digit and solving number and practical problems that involve these skills. Children will also round any whole number to a required degree of accuracy.

Ratio and Proportion—focus on solving problems involving unequal sharing and grouping using knowledge of fractions and multiples, solving problems involving the relative sizes of two quantities where missing values can be found by using integer multiplication and division facts and solving problems involving similar shapes where the scale factor is known or can be found.

PERSONAL, SOCIAL AND EMOTIONAL DEVELOPMENT

Get HeartSmart—Learning how important, valued and loved we are.

EXPRESSIVE ARTS AND DESIGN

Art

Year 5/6 —An exploration of L.S Lowry's artwork and a focus on the medium of Painting.

DT

Year 5/6—Use levers and linkages to make a moveable sleigh.

Christmas Crafts using Art and DT skills of the term .

Music

Listen with attention to detail and recall sounds with increasing aural memory.

Use and understand staff and other musical notations.
