Accessing Google Classroom on Xbox and PlayStation Consoles

Google Classroom

Both consoles can be used to access an internet browser, where you can log into Google Classroom using the login details provided by school.

Using a controller will allow you to view work set by school, however using a keyboard and mouse would give you the ability to complete written tasks on Google Docs, as well as communicate with others in the class. These can be plugged into the USB ports.

Xbox Consoles

1. Click on My Games & Apps
2. Filter the results by 'Apps'
3. Click the Microsoft Edge app
4. Search for 'Google Classroom' in the address bar

PlayStation Consoles

1. On the home screen, go to the Library
2. Click on 'Games and Applications'
3. Select an internet browser
4. Search for 'Google Classroom' in the address bar
